

42nd Annual
SQUINTY EYE WESTERN SHOOT
August 14th - 16th, 2025
PAGE 1 OF 2

Again this year the Main Cowboy Match will be a ONE DAY 6 stage match, held on Saturday the 16th, there will be a Buffalo Shoot on Thursday the 14th, a Long Range Rifle Match on Friday the 15th, as well as a 3 Stage Wild Bunch Match on Friday the 15th. All events are scheduled to allow shooters to participate in all events, should they choose to.

A significant change this year will be our attempt to make this event more of an informal 'Friendly Gathering' rather than a rigidly structured/scheduled match. We feel that this will be more enjoyable for participants and event organizers alike. The only real 'change' that needs to be considered as you complete the registration/preparation process is regarding how we intend on handling the important task of making sure that all gathered are well fed. Unlike in the past where we required registrants to declare their intention to have meals provided, and pre-pay for those meals upon registration, this year we are asking participants to bring food that may be shared with all in attendance. Yup, just like a good ol' pot luck. We also expect folks to simply eat when they're hungry, as long as most of the grub is wiped off yer' face and yer' ready to pull the trigger when your chosen event starts. This is more like how we run our September 'Buffalo Camp' and is, again, an effort to take some of the 'stress' out of the weekend. We will be looking for feedback as to whether or not you felt that this change was successful.
